

## **Marshfield Clinic AmeriCorps Focus Areas**

### **Disaster Services**

Concerns regarding the preparation, mitigation, response, and recovery efforts that relate to disaster events.

### **Economic Opportunity**

Addresses unmet needs of economically disadvantaged individuals, including financial literacy, affordable housing, and employment-related assistance.

### **Education**

Topics related to unmet educational needs within communities, especially those that help at-risk youth to achieve success in school and prevent them from dropping out.

### **Environmental Stewardship**

Matters regarding energy and water efficiency, renewable energy use, at-risk ecosystems, and behavioral change leading to increased efficiency.

### **Healthy Futures**

Addresses unmet health needs, including access to health care, increasing physical activity and improving nutrition in youth, increasing seniors' ability to remain in their own homes and access to food resources. Activities include homecare services, programs for people with physical disabilities, health and nutrition services and education, food distribution and collection, substance abuse planning, health screening and immunizations.

### **Veterans and Military Families**

Addresses unmet needs of veterans, members of the armed forces, and family members of deployed military personnel.
